## **Adams ramp to McClugage to close Dec. 7**

*Short closure needed for emergency repairs*

**PEORIA** – The Illinois Department of Transportation announced that the ramp from Adams Street (Illinois 29) to the eastbound McClugage Bridge (U.S. 150) will close at 9 a.m. Dec. 7.

The closure is necessary for emergency joint repairs on the bridge and is expected to last about two hours.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
